

E70

STAINLESS STEEL CLEANER

PRODUCT USES

Exceptional stainless steel cleaner used to remove fingerprints, oils, stains and other grime from stainless steel, chrome, appliances, cookware, ceramics, cutlery, accessories, grills and more.

OPERATOR BENEFITS

- Cleans and polishes in a single action
- Non-toxic: contains no petroleum derivatives or known or suspected carcinogens.
- The product is biodegradable and breaks down into harmless substances
- Cruelty Free: contains no ingredients tested on animals
- Contains no preservatives.

DIRECTIONS FOR USE

Spray Stainless Steel Cleaner on a clean rag and wipe the surface to be cleaned. This is the cheapest and safest way to use this product. The product can also be sprayed directly on the surface to be cleaned. For extra shine, buff the surface with a clean, dry cloth. No need to rinse. Uses: cleaning stainless steel, chrome, cookware, polished metals, kitchen cabinets, etc.

HANDLE EQUIPMENT

A properly identified OLG spray bottle and a clean towel or cloth.
