# **CREME CLEANSER**

LABEL COLOR

## PRODUCT USES

Creme Cleanser is excellent for removing embedded stains, stubborn buildup, grease, rubber stains, and soap scum. Use it on porcelain, ceramic, stainless steel, chrome, Formica, fiberglass and other surfaces.

## OPERATOR BENEFITS

- Rinses easily and leaves no film
- Ready to be used.

## DIRECTIONS FOR USE

Place the product directly on the surface or on a damp cloth, sponge or brush. Rub to remove dirt and rinse. For a brilliant shine, buff the surface with a soft, dry cloth. On stainless steel surfaces, polish with the grain. In heavily soiled areas, remove very large soil particles first before applying treatment.

# HANDLE EQUIPMENT

A properly identified bottle of Creme Cleanser and a clean towel or cloth.
